

FOOD SERVICE PLEDGE.

Realizing the gravity of the food situation and knowing that Great Britain and our Allies look to Canada to help to shatter Germany's threat of starvation,

I pledge myself and my household to carry out conscientiously the advice and directions of the Food Controller that requisite foodstuffs may be released for export to the Canadian Divisions, the British forces and people and the Allied armies and nations.

Signed by

Mary M. Pusey

The Octagon

No. in Household

1

Port Hope Ont

Hang your pledge by a cord or a ribbon in the dining room where your household can see it daily.

Place your Win-the-War card prominently in your window where the public can see it and where the members of the household can read the imperative reasons for food saving set forth on the back.
